Video Digital Citizenship PSA Contest

Win Prizes and Help Our Community!

Digital Citizenship is an important topic today as you all well know. It is time to get the word out to everyone and our community needs your help!

The Fair Haven Union High School is sponsoring a Public Service Announcement on Digital Citizenship contest. So, get your ideas together and create a short video about the importance of being a good digital citizen and enter to win prizes and have your video on the Slater Students News as well as PegTV and possibly Channel WCAX! There are many aspects of digital citizenship like copyright, cyber bullying, on-line privacy, on-line safety, p to p file sharing, etc. and you can choose which one you would like to highlight in your video or choose your own aspect of digital citizenship. Videos should not be more than 30 to 40 seconds long.

Get contest details from your TA teacher or contact Mrs. Clarena Renfrow at extension 272 or go to Room 12 or online at: <http://goo.gl/ESyVz> Please see Sherry Prouty for information on the laws regarding the digital citizenship topic on which you are going to create your PSA. **The link above also has sample PSAs, and a guide on how to create an effective Public Service Announcement.**
